

EBC

Edenvale Baptist
Church

Dear EBC Family,

Following the national address by President Ramaphosa, the leadership of our church has decided to suspend Sunday church services and all other meetings at the church premises with immediate effect in order to limit physical contact and slow the transmission of the coronavirus.

We believe that as responsible citizens we need to obey the government's call to limit social interaction, but equally the physical and spiritual health of the congregation and staff is our priority. It is vitally important to maintain connection and community as a church during this health crisis and so we will be using various technologies to bring you our Sunday services. These arrangements will remain in place until after the President's next scheduled address after which we will update you further.

We will be in frequent communication in the coming days and weeks to address issues related to the streaming of worship and services, how we as isolated people can continue to be participating church members and continue to care for one another in community and how this affects our Easter program among others at church.

We ask you to join the church leadership as we pray for our country during this time of crisis and regarding the implementation of the measures outlined above.

Please keep in touch with one another as EBC family and update your groups as necessary so that no one is left out.

If you have any questions in this regard please e-mail questions@ebcsa.org.za

Yours in His service,
The Executive Leadership Team
